

Omer Cyrus Orchard

Jefferson County Oregon

Elevation: 3353ft

Coordinates: N 44°26.769' W 121°06.482'

22 apple trees on north facing slope, very productive trees had good crops mostly August 2012

4 plum (root suckers maybe), 2 Blue Elder Berries and a very large number of pear root suckers and/or seedlings

6-7 Yellow Transperent

#1, Purple Siberian Crab

#13, Had a good crop of unripe apples in August, 10/13/12 could only find 2 very pitiful late bloom apples, they were yellow and tasted (sweet)

#22, Estilline?

Winter Banana?

There is the ruin of a huge Box Elder tree just below the orchard to the north.
