Farmingdale Ill.
Syracuse N.Y.

I enclose list as requested.

I have not a microscope - do not
have any insects, & do not sell
any plants. But I often exchange
var^s in views by mail.

List is an old one - I should
revis, but have not done it. Have lost
perhaps 200 var^s, & have added as
many more. Many in list I
have under inspection.

Benj. B. Wickman
